HOBBS WAS NOT HELD

Grand Jury Finds No Bill Against
Slayer of Thomas House at
Plant City

Yesterday afternoon, the grand jury reported no true bill in the case of Will Hobbs, who killed Thomas House at Plant City Monday afternoon with a billiard cue.

Marshall J. S. Whitehurst and a number of witnesses, who witnessed the killing, were examined, each and every one testifying to the deceased being a man addicted to strong drink and of a quarrelsome disposition, to House having stabbed Hobbs after provoking him into a dispute, to the peaceable disposition of the slayer and to it being an act of self-defense.

When the grand jury made its report, Hobbs, who is only 20 years of age, thanked the jury for their consideration and emphatically declared they had treated him right and that he had taken the life of a fellow man only in self preservation.

House, who is survived by a widow and two or three children, was buried at Plant City yesterday afternoon.—Tampa News, 18th.

NOTABLES WILL BE NUMEROUS

At the Florida State Fair—Ambassadors of Italy, Spain and Germany Will Attend

Washington, Dec. 19.—The Spanish Ambassador, accompanied by the secretary of the embassy, called on Col. Brown, of Tampa, and Congressman Sparkman, at the Raleigh Hotel yesterday and accepted the invitation extended by Col. Brown, in behalf of the Spanish societies and Chamber of Commerce of Tampa to visit Tampa February 12, during the state fair, for the purpose of dedicating the new Spanish clubhouse.

The Italian ambassador accepted a similar invitation from Col. Brown yesterday.

The German ambassador is in New York, but Count Hatzeliep, the charge d'affaires, at the German embassy, assured Col. Brown and Congressman Sparkman that he had no doubt of the acceptance of the invitation upon the return of the ambassador.

This will mean the presence of three ambassadors at Tampa during the coming state fair.

AUSTIN ALLEGES UNFAIRNESS

Citizen of New York has Filed a Suit Against Secretary of the Treasury Cortelyou

Washington, Dec. 19.—On the heels of Senator Tilman's speech in the senate concerning Secretary Cortelyou's financial methods, George W. Austin, of New York, has filed a suit in the district supreme court against the secretary, asking that he be restrained from making allotment of the recent Panama canal bond issue.

The bill states that the United States will lose between 700,000 and \$1,000,000 if the bonds are allotted.

He contends that bids for \$7,000,000 worth of the bonds, submitted by him-

self, were higher than the majority of the bids accepted by the secretary and that, thereby, the United States was defrauded.

LAMAR IS THE LATEST

To Announce His Candidacy for the United States Senate—Sparkman Being Urged

In a telegram received by a prominent citizen of Tampa today, Congressman William B. Lamar, representative from the third Florida district, declares that he has decided to become a candidate for the United States senate, and that his formal announcement will be published in the Pensacola Journal tomorrow morning. The announcement of Mr. Lamar comes as a distinct surprise. It is of special interest in Tampa, where there is a general desire that Congressman Sparkman make the race for the upper house.

In response to telegrams sent to him from this city, asking him to announce for the senate, Mr. Sparkman has made no reply other than that he will be in Tampa in a few days and will discuss the subject with his friends.—Tampa News, 18th.

WRIGHT IN THE WREAR

Judge Wright Probably Knows he is Running for the Senate

Another Jacksonville man has entered the political arena. Judge A. O. Wright, who presides over the municipal court of that city, has announced for the United States senate—a stretch of ambition of which almost any well-regulated Jacksonville politician is capable.

The entry of Judge Wright makes three candidates from Jacksonville.

Meantime, if the appeals now being made to Congressman Sparkman are heeded by him, the Jacksonville trio is wasting its precious time.—Tampa News.

SPARKMAN'S ACTIVITY

WHEN TO GO HOME

From the Bluffton, Ind., Banner: "When tired out, go home. When you want consolation, go home. When you want fun, go home. When you want to show others that you have reformed, go home and let your family get acquainted with the fact. When you want to show yourself at your best, go home and do the act there. When you feel like being extra liberal, go home and practice on your wife and children. When you want to shine with extra brilliancy, go home and light up the whole household." To which we would add, when you have a bad cold go home and take Chamberlain's Cough Remedy and a quick cure is certain. For sale by all druggists.

JAPAN ISN'T JEALOUS

Of the Cruise of Evans' Fleet, so Says Jiji Shimpō

Tokio, Dec. 19.—Jiji Shimpō, an independent paper with a wide circulation in intellectual circles, publishes an editorial on the dispatch of the American fleet to the Pacific declaring they do not entertain for a moment the idea that the purpose of the cruise is for the purpose of making any display or threats against Japan, and adding that should any of the vessels of the fleet visit the shores of Japan they would be given a most cordial welcome. The paper further says

that the only fear to be felt in connection with the visit of the fleet to San Francisco is that is may possibly encourage anti-Japaneseism and bring about a repetition of the regrettable incident which occurred in that city a few months ago
